COMMUNICATING AT WORK *Creating Messages that Get Results*

Ron S. Blicq

Effective communication in business and industry is the focus of this volume. Using the popular pyramid approach, it provides guidelines for writing letters, memos, reports, proposals, procedures, job application documents, and oral presentations. Interest-sparking dialogues and models for each type of communication are included.

CENTRE JACQUES-AMYOT

Association loi 1901

18, rue Théodore-Deck 75015 Paris

Tél: 40 60 18 34 ou 40 60 05 01

Le Directeur: Antoine Berman

Le Centre Jacques-Amyot, organisme patronné par la Délégation à la langue française, le Ministère de la Recherche et le Ministère des Affaires Etrangères, ouvre à partir du mois de novembre 1990 un Centre de documentation sur la traduction, la terminologie, la rédaction et, en général, la communication scientifique, technique et culturelle. Le Centre sera ouvert aux traducteurs, aux terminologues, aux lexicographes, aux documentalistes, aux spécialistes de domaine, aux enseignants et autres catégories professionnelles concernées. Il n'existe actuellement pas en France de Centre de ce genre.
