

Annual Bibliography For Publication In *Technostyle*

In every spring issue of the journal, Jennifer Connor, our former editor, always published an updated bibliography of administrative and technical communication in Canada. Included would be all articles, books or reviews published by Canadian scholars and, of course, all articles published in *Technostyle* or any other Canadian publication.

Anyone interested in contributing to the journal by compiling a yearly bibliography should contact:

Elenor Winter Friesen
Editorial Assistant
Department of Electrical & Computer
Engineering
University of Manitoba
Winnipeg, MB R3T 2N2
Ph: (204) 474-6469
Fax: (204) 275-0261
e-mail: ewinter@ee.umanitoba.ca

All CATTW members are encouraged to submit the titles of any recently published articles, books or reviews to the journal.
