

Announcement/Announce

At its most recent conference, the Canadian Association of Teachers of Technical Writing/L'Association canadienne de professeurs de rédaction technique et scientifique agreed unanimously and enthusiastically to change its name to the Canadian Association for the Study of Discourse and Writing/L'Association canadienne de réductologie. This name change better reflects the diverse work, research, and pedagogical interests of CASDW members.

Alongside this change, *Technostyle*, the association's peer-reviewed journal, will now be known as the *Canadian Journal for Studies in Discourse and Writing/Réductologie*.

The next issue of the journal will be published under this new name.
